Dear Mr. Lanz,

In response to your letter dated November 8th, 2006 in reference to the October Quarterly Report (7/01/06 - 9/30/06) we are writing to clarify our administrative expenses. When the Shore PAC was opened in 2005, the PAC had minimal operations and was solely operated by Mr. Frank Pallone. The PAC was housed at a P.O. Box address which was paid for by the account.

With the expectation of increased operations, Mr. Michael Beson was hired on retainer to consult for the PAC and paid on a monthly basis. At this point , as the consultant, Mr. Beson operates and houses the Shore PAC. All administrative expenses fall under the monthly retainer Mr. Beson is paid.
